

# TECHNOLOGY STRATEGY & ADVISORY: GET TO KNOW US

## VIDEO TRANSCRIPT

00:00:20,320 --> 00:00:24,040

I am a tech strategist,  
an enterprise architect,

00:00:24,040 --> 00:00:26,660

transformation  
excellence practitioner,

00:00:26,660 --> 00:00:28,280

technology strategist,

00:00:28,280 --> 00:00:30,840

enterprise architect  
manager, tech strategies,

00:00:30,840 --> 00:00:34,300

transformation excellence  
practitioner, tech strategist,

00:00:34,300 --> 00:00:35,920

enterprise architect,

00:00:35,920 --> 00:00:37,360

transformation excellence

00:00:37,360 --> 00:00:40,560

petitioner, technology  
strategist.

00:00:40,680 --> 00:00:45,780

Tech is fast paced, and it shows  
no signs of slowing down.

00:00:45,780 --> 00:00:47,820

Technology is about  
connecting people.

00:00:47,820 --> 00:00:50,100

The idea that something  
I create can impact

00:00:50,100 --> 00:00:52,600

someone across the world,  
now in the future.

00:00:52,600 --> 00:00:54,900

technology has the ability  
to impact our business

00:00:54,900 --> 00:00:57,380

and clients in ways we may  
have not thought possible.

00:00:57,380 --> 00:00:58,940

What's going to keep businesses

00:00:58,940 --> 00:01:00,800

relevant for the  
next three years?

00:01:00,800 --> 00:01:02,780

The high impact that we make

00:01:02,780 --> 00:01:05,740

our clients by helping  
them use technology to

00:01:05,740 --> 00:01:08,660

realize more value. This  
convergence of technology in

00:01:08,660 --> 00:01:10,760

digital really allows us

00:01:10,760 --> 00:01:12,740  
to help our clients  
think differently.

00:01:12,740 --> 00:01:16,680  
Driving technology for  
clients and making it

00:01:16,680 --> 00:01:18,160  
actually work is one of

00:01:18,160 --> 00:01:22,640  
the greatest impacts that one  
can have nowadays society.

00:01:23,730 --> 00:01:26,650  
I love helping out our clients,

00:01:26,650 --> 00:01:28,510  
determine their strategy,

00:01:28,510 --> 00:01:30,430  
their vision, where  
they're going.

00:01:30,430 --> 00:01:32,930  
A chance to shape the  
future of business and

00:01:32,930 --> 00:01:34,870  
technology by designing and

00:01:34,870 --> 00:01:37,170  
implementing cutting  
edge solutions.

00:01:37,170 --> 00:01:39,770  
The power to drive change  
in a major impact.

00:01:39,770 --> 00:01:41,690  
I love that we get to  
work with clients across

00:01:41,690 --> 00:01:42,970  
different industries to design

00:01:42,970 --> 00:01:44,590  
and develop  
innovative solutions.

00:01:44,590 --> 00:01:46,690  
I can work across  
industries while

00:01:46,690 --> 00:01:49,770  
still deepening my  
expertise in technology.

00:01:49,770 --> 00:01:52,490  
It's very dynamic as it  
changes depending on

00:01:52,490 --> 00:01:55,610  
the clients industry context  
and type of project.

00:01:55,610 --> 00:01:58,370  
Being able to design a strategy

00:01:58,370 --> 00:02:02,330  
and define it and  
bring it to life.

00:02:02,850 --> 00:02:06,910  
We are so immersed in the ever  
changing tech environment,

00:02:06,910 --> 00:02:09,070  
I think eccentric is a  
great place to grow.

00:02:09,070 --> 00:02:10,410  
I get a chance to work with

00:02:10,410 --> 00:02:13,010  
so many technology enthusiasts  
and learn from them.

00:02:13,010 --> 00:02:16,010  
We work with today's most  
reading edge technologies to

00:02:16,010 --> 00:02:17,870  
innovate solutions. I feel

00:02:17,870 --> 00:02:20,070  
valued and I love working  
with the people I do.

00:02:20,070 --> 00:02:22,390  
each and every day. I  
feel heard and that

00:02:22,390 --> 00:02:26,570  
my opinion counts and this  
is a really good feeling.
